Good Morning Towana,

Thanks so much for setting the meeting up with all parties. I think it was a great first meeting and I look forward to staying in touch through-out this process. I have a couple follow up questions/requests I was hoping you could help me with. There were a lot of folks on the phone and a few requested specific documents. My first question is would you or someone else from the EPA like to be cc'd on all emails to the FWHA?

Second question, do you have a sense of when it would be good time to reconvene a meeting and lastly any areas of concern from the call you wish to further discuss?

Best,
